The Technical University of Cluj-Napoca is located in the historical center of Cluj-Napoca, the European Youth Capital (2015).

Set in the heart of Transylvania, Cluj-Napoca boasts a major architectural heritage and most of the historical buildings are in Liberty style.

With one of the most vibrant economies in the country and a population of around 330,000, Cluj-Napoca is today a dynamic cultural and educational city. The six state and several private universities located here also make Cluj Napoca the city with the largest percentage of student population in Romania.

The conference will take place in Grand Hotel Napoca, the biggest Conference Center in Transilvania.

All venues are within walking distance of each other and the city centre.
The technical programme of the conference comprises:

- Presentation of accepted papers
- Invited presentations on selected topics
- A one day tutorial

A full social programme will also be offered to delegates and their companions to provide maximum opportunity for networking and entertainment.

An up-to date programme will be made available at: www.upec2014.com

The conference registration and reception will take place on the evening of Tuesday, 2 September 2014, with late registration available on the morning of Wednesday, 3 September.

There will be a Civic Reception on the evening of Wednesday, 3 September, and the Conference Dinner will be held on the evening of Thursday, 4 September at Sun Garden Resort, a lost paradise in the midst of the forest.

The technical and cultural visits will occur on the afternoon of Thursday, 4 September 2014.

The abstract should contain the title of the paper, contact person, authors and their affiliations, keywords, together with a summary of the paper and its main contributions.

The main conference subject area to which the paper is most relevant should also be quoted. After acceptance of an abstract, authors will be requested to submit the full paper with a maximum of six pages.

It should be noted that only electronically submitted papers and abstracts will be considered.

All accepted papers have to be presented at the conference, and will be published in the conference proceedings. English will be used for all printed material, as well as for the technical presentations and discussions. Presented papers will be listed on IEEE Xplore and INSPEC.
